# PEBCO COMNET 3500-L

## Seize the Spotlight!

Pardakht Electronic Behestan Co. (PEBCO Electronic) provides the most reliable, versatile and cost effective models. Our next generation cash dispenser, the PEBCO - COMNET 3500 -L in partnership with South Korea Chungho Comnet Co. is designed to create efficient self service with fully advanced functions. Building on the great reputation of the PEBCO – COMNET 3500-L series retail ATM, this model adds a Motorized Presenter module and high performance cash dispenser to this already popular and reliable.

### LCD

The 3500 Series comes standard with an 8 high-resolution widez-screen LCD, which can be upgraded to a 10.2" touch screen.

### Printer

The receipt printer can also be upgraded to a 3" graphics – capable for custom branding or coupons.

### Capacity

The 3500 Series with Presenter CDU can be ordered in single, dual and three cassette capacity for maximum flexibility. Designed for retail and off- premise locations

### Customization

The PEBCO- COMNET 3500 Series comes loaded with all the features you expect, including an optional EMV card reader and also provides additional hardware configuration choices allowing you to fit each machine to needs of your customer or location.

# PEBCO COMNET 3500-L
